## **Grant Opportunity for the COVID-19 Aged Care Support Program - Support for Aged Care Workers in COVID-19**

### **GO4215 - Addendum Number 22**

**Date Issued: 23 September 2021**

This addendum is issued as an amendment to Grant Opportunity GO4215. The amendment is as specified hereunder and **highlighted** in Version 18 of the Grant Opportunity Guidelines

1. Providing further clarification on how to submit an early application if experiencing significant financial strain under section *3.1 Grants Available*.
2. Clarifying processing dates and timeframes under section *6.2 Timing of Grant Opportunity*.
3. Making the following amendments to Appendix 1:
  - a) Classifying Greater Melbourne, Victoria as a continuous active hotspot/high risk area with no specified end date.
  - b) Classifying the Local Government Areas of Orange, Blayney and Cabonne in NSW as a continuous active hotspot/high risk area with no specified end date.
  - c) Inserting the end dates of all Qld hotspot/high risk areas listed.
